

The goal of the English Soft Skills course is to enhance language proficiency as well as the core skills needed to succeed in the workplace. The course focuses on effective communication and presentation skills, teamwork, critical thinking and cultural awareness as well as improving language abilities, vocabulary, listening, speaking, reading and writing. Targeted preparation for the TOEIC is provided, including sample tests, exam tips, and individual student feedback. Ultimately, this comprehensive program provides students with the language fluency and transferable abilities they need to succeed in an international environment.

The English Language Skills component of the course emphasizes the value of interpersonal skills in effective communication. Students can improve their relationships with others by developing language proficiency, active listening, good articulation and cultural awareness. These abilities are essential in the workplace because they foster teamwork, persuasive presentations, and strong bonds.
